CAN YOU SERVE ON THE PTSU MOBILIZATION COMMITTEE???

A Local Mobilization Team is being pulled together as we head into collective bargaining for the next Professional and Technical Staff Union (PTSU) collective agreement. The Executive Board is looking for **your** help!

Mobilization allows Union Locals like your PTSU to educate members on issues, particularly as it relates to upcoming collective bargaining, and to help get strong levels of member participation in any action that is taken surrounding collective bargaining. Unions are strongest when they have an informed and active membership!

What does a Mobilization Team do? Under the leadership of a PTSU mobilization coordinator:

- Speaks, one-on-one, to PTSU Members, making sure information that is released about what is happening with the ongoing collective bargaining process gets to everyone;
- Distributes pamphlets, posters, desktop materials, 'wearables' (buttons, specific clothing colors, etc.), etc., that will support the efforts of your PTSU Negotiating Team in reaching timely and positive collective agreement particulars/changes;
- Organizes specific work areas for any 'action' efforts in support of the collective bargaining process, i.e. – parades, flyer distribution, rallies, lobbying, etc.

Thank you to those of you who have already come forward and told us your willingness to step-up for Committee 'service'! As the saying goes, the More the Merrier! Would **you** be willing to join those Members and offer to serve your Union Local doing mobilization? **We really want to hear from you at PTSU60551@gmail.com letting us know you want to be on the Mobilization Team and part of the action.** We anticipate 'mobilization' will get really active in September and into the Fall of 2022 as we work to reach a new collective agreement.

Email us – PTSU60551@gmail.com – and let us know **your** interest in serving!
[If you've already told us your interest, thank you!]
