COLLECTION OF UNION DUES/DUES CHECK OFF

PTSU has been advised by the Public Service Alliance of Canada (PSAC) that UNB, the Employer, will likely begin making deductions from wages for Union dues starting in **February 2021**. Your T-4 statement for 2021 (issued in 2022) will have included on it the total union dues deducted and paid to the Union.

REMINDER: You are eligible to claim the total of annual membership in a trade union related to your employment.

CONVERSION OF PTSU TERM POSITIONS FUNDED BY UNRESTRICTED OPERATING FUNDS TO CONTINUING STATUS

Listening to the Member inputs on the importance of continuing (vs. term-to-term) positions your PTSU Negotiating Team were successful in achieving Articles 15.16 and 15.17 of the 1st PTSU Collective Agreement on your behalf. These Articles are available at page 18 of your Collective Agreement for you to read in full. Approximately 20 PTSU position incumbents were recently notified their position met the conversion criteria negotiated and were offered to convert to a continuing position. Through efforts at the negotiating table with UNB, PTSU is pleased to say that it now has almost 90% of positions within the bargaining unit funded by unrestricted operating funds classified as continuing, with a few more – potentially – becoming eligible in 2021! If you have any questions about Articles 15.16 or 15.17 in your PTSU Collective Agreement, we are here: Reach out to us at PTSU60551@gmail.com
